

Helping customers save money by becoming more energy-efficient is an important part of what we do every day. Making sure you know about all the ways you can save money in your home through our PNM Energy Efficiency programs is how we do it. Our energy efficiency programs give you a variety of rebates and discounts for your home. Here are all the ways you can start saving energy and money.

### PNM Home Energy Analyzer

Find out how you use energy in your home and receive recommendations that make sense for you. Plus, you'll get savings estimates and learn about all the rebates you qualify for online. **Visit [PNM.energysavvy.com](https://www.pnm.com/energysavvy)**

### PNM Home Energy Checkup

An energy specialist meets with you virtually or in your home to provide you with a custom home energy report and gives you energy-saving devices. You'll learn ways to become more energy efficient and lower your energy costs. **Visit [PNM.com/checkup](https://www.pnm.com/checkup) or call 855-775-6491**

### Refrigerator Recycling

Get \$50 just for recycling your old working refrigerator or freezer. We'll pick it up for free, recycle it properly, and mail you a check for \$50 in about four to six weeks. It's that easy. **Visit [PNM.com/fridge](https://www.pnm.com/fridge) or call 877-838-1139**

### Instant Discounts

Get a discount at the register just by purchasing ENERGY STAR® energy-efficient devices you already use in your home. Go to any participating retailer and look for our PNM logo. **Visit [PNM.com/InstantDiscounts](https://www.pnm.com/InstantDiscounts)**

### PNM Power Saver

Help us manage the flow of energy and relieve times of high electricity demand in our community during those hot summer weekday afternoons. New customers receive a one-time \$25 check for signing up and an annual \$25 Thank You check for each year you participate.

**Visit [pnmpowersaver.com](https://www.pnmpowersaver.com)**

### PNM Cooling Rebates

You can get rebates up to \$300 on qualified energy-efficient evaporative and refrigerated air conditioning units, and window-mounted units that you purchase and install in your home. **Visit [pnm.com/coolrebate](https://www.pnm.com/coolrebate)**

### Own a Business?

We have business energy efficiency programs that will help you save money with simple energy-saving solutions. **Visit [pnm.com/bizrebates](https://www.pnm.com/bizrebates)**
