**17TH REVISED RATE NO. 6
CANCELING 16TH REVISED RATE NO. 6**

PRIVATE AREA LIGHTING SERVICE

APPLICABILITY: Applicable to private area lighting under agreement for lights installed before February 23, 1991. These rates are for existing lights installed before August 21, 2011. Lights must be on a 12-month continuous, nonseasonal basis at locations on the Company's distribution system where such facilities may be operated as an integral part of the Company's facilities. This service is not available for the lighting of public or semipublic thoroughfares.

TERRITORY: All territory served by the Company in New Mexico.

Appendix A: Appendix A shall be a list of Company-owned LED private lights that are operational substitutes for lights described in the Light Charge section of this tariff. Appendix A shall be publicly available on the Company's website and shall be updated periodically by the Company to reflect updates for operational substitutes currently available from suppliers.

<u>Description</u>	<u>Monthly Charge</u>
Pole	\$3.06

- C. FUEL AND PURCHASED POWER COST ADJUSTMENT: All kWh usage under this tariff will be subject to the Fuel and Purchased Power Cost Adjustment Clause ("FPPCAC") factors calculated according to the provisions in PNM's Rider 23.
- D. OTHER APPLICABLE RIDERS: Any other PNM riders that may apply to this tariff shall be billed in accordance with the terms of those riders.

SPECIAL TAX AND ASSESSMENT ADJUSTMENT: Billings under this Schedule may be increased by an amount equal to the sum of the taxes payable under the Gross Receipts and Compensating Tax Act and of all other taxes, fees, or charges (exclusive of ad valorem, state and federal income taxes) payable by the utility and levied or assessed by any governmental authority on the public utility service rendered, or on the right or Privilege of rendering the service, or on any object or event incidental to the rendition of the service.

MONTHLY MINIMUM CHARGE: The monthly minimum charge under this tariff consists of any applicable Light and Pole charges, plus any applicable riders, fees, and taxes.

SPECIAL CONDITIONS:

- A. General - Private Area Lighting service is supplied in accordance with the customer's written application and under Company's Service Regulations and this Schedule. Customer shall furnish to Company, without cost to the Company, all rights, permits, and easements necessary to permit the installation and maintenance of Company's facilities on, over, under, and across private property where and as needed in providing service hereunder.
- B. Ownership of Facilities - All lamps, poles, and fixtures shall be and remain the property of the Company.
- C. Relocation of Facilities – Relocation for service under this tariff is prohibited,
- D. Maintenance and Operation - Company shall be obligated to furnish lighting from dusk-to-dawn, and at all times replace and repair, at its own cost and expense, all broken or damaged lamps, poles, and other facilities used in the system; however the Company reserves the right to cancel this Agreement in event of excessive damage to its equipment by vandalism, malicious mischief,

- E. Outages - It shall be the duty of the customer to report to the Company the failure of any lamp covered by agreement to burn, or to burn adequately. The Company will perform as soon as practicable, during regular working hours, the necessary maintenance to restore proper service.

INTERRUPTION OF SERVICE: Please refer to PNM Rule 12.

TERMS OF PAYMENT: All bills are net and payable within twenty (20) days from the date of bill. If payment for any or all electric service rendered is not made within thirty (30) days from the date the bill is rendered, the Company shall apply an additional late payment charge as defined in Rate 16 Special Charges.

RULES AND REGULATIONS: Service will be furnished subject to the Company's Rules and Regulations and any subsequent revisions. These are available at the Company's office and are on file with the New Mexico Public Regulation Commission. These Rules and Regulations are a part of this Schedule as if fully written herein.

APPENDIX A TO 17TH REVISED RATE NO. 6

COMPANY-OWNED LED STREETLIGHTING
CURRENT FIXTURES AS OF MARCH 27, 2024

APPLICABILITY: Applicable to LED street lighting systems and under contract with any municipal corporation or other political subdivision within the State of New Mexico. Appendix A is a current list of LED operational substitutes available to Rate No. 6 customers and shall be updated periodically by the Company to reflect updates for operational substitutes currently available from suppliers. This appendix supplements information given in the 17th Revised Rate No. 6 and reflects currently approved company- owned LED street lighting standards.

AVAILABILITY: Available within all areas served by the company in New Mexico.

COMPANY-OWNED LED STREETLIGHTS: The following Company-owned LED streetlights are operational substitutes for standard Mercury Vapor (“MV”), Low Pressure Sodium (“LPS”) and High Pressure Sodium (“HPS”) fixtures. The operational substitutes are subject to change, based upon availability and manufacturing standards.

- A. Operational Substitute No. 1: Operational Substitute No. 1 shall be a Company-owned LED light that is an operational substitute for the existing 175W MV, 55W LPS, 70W HPS and 100W HPS streetlight fixtures. Currently, the company may install the following substitute fixtures using the 31W-40W rate: PNM ITEM ID 0100004657 (4000K), PNM ITEM ID 0100007037 (3000K), and PNM ITEM ID 0100007964 (2700K) and PNM ITEM ID 0100008102 (2700K AEL VR Comfort Lens).
