PNM Employees Help to Save Lives

Donating blood in times of need

(Albuquerque, NM) – This month, several PNM employees gave of their time and a precious resource, their blood. Why? To help those who need it most. At PNM, we call these employees our Blood Heroes.

For the last 20 years, the Blood Mobile visits PNM and employees are always willing to donate.

Every day, blood donors help patients of all ages. Accident and burn victims, heart surgery and organ transplant patients, and those battling cancer. In fact, every two seconds someone in the U.S. needs blood.

This is just one way PNM employees continue to give back to the community they live and work in.

PNM's next blood drive will be during PNM's annual Safety Day on Thursday, October 17, 2024. (Details forthcoming)

Quote:

“Donating blood is the simplest way to save a life,” said Lew Witz, PNM’s Audit Services Director. “Every drop given is a gift of hope and a lifeline to those in need.”

About PNM With headquarters in Albuquerque, PNM is the largest electricity provider in New Mexico, serving nearly 550,000 customers in dozens of communities across the state. PNM strives to create enduring value for customers, communities and shareholders built on a foundation of Environmental, Social and Governance Principles. At the core of our business, we are focused on our vision of creating a clean and bright energy future, our purpose of working together with our customers and community to serve their energy needs, and our values of safety, caring, and integrity.
