**INFORMATION PROVIDED BY PNM TO THE SUBSCRIBER ORGANIZATION
COMMUNITY SOLAR FACILITY MONTHLY UNSUBSCRIBED ENERGY DATA FILE**

The information below must be sent to the subscriber organization by the utility in the identified field format.

By the next business day after completion of PNM's annual meter reading schedule cycle 12 date each month, all data shall be transmitted to the subscriber organization for their allocation of unsubscribed energy to Subscribers of the Facility via the Community Solar Monthly Data File.

All data shall be exchanged with SSH File Transfer Protocol ("SFTP") via plain text files in comma separated value ("CSV") format. Microsoft Excel can generate and read CSVreadCSV files.

Number	Field Name/Description	Field Format
