

EV Purchase or Lease Countdown Checklist

Don't pay more for your EV than you have to!
Use this checklist to claim every EV incentive before it's too late.

With the federal EV tax credit ending September 30, 2025, now's the time to act. Think of this checklist as your game plan: simple steps to find your perfect EV, claim your savings, and stack on even more rebates and perks from PNM.

Before You Shop

- ☐ Decide what type of EV fits your lifestyle (range, size, budget)
- ☐ Make sure you qualify for the [federal EV tax credit](#)
- ☐ If you think you're income-qualified, [check for additional rebates](#).
- ☐ Check the list of [eligible vehicles](#)
- ☐ Look at your charging options. If you don't have off-street parking or a garage for home charging, [find nearby public chargers](#).

When You're Ready to Buy or Lease

- ☐ Find your perfect EV and confirm the model is on the IRS list
- ☐ Ask your dealer about applying your tax credit at the point of sale and make sure the dealer provides you with a copy of the IRS's confirmation that a Time-of-Sale Report was submitted by the dealer

After You Buy or Lease

- ☐ Get even more cost-saving rebates and rates from PNM:
 - ☐ Residential Level 2 Charger [Purchase Rebate](#)
 - ☐ Residential Level 2 Charger [Installation Rebate](#)
 - ☐ Whole-Home [Electric Vehicle Electric Rate](#)
- ☐ Find a [Program Authorized Electrical Contractor](#) to install your home charger
- ☐ Sign up for [PNM's EV Community](#) to get the latest in EV info, support, and savings
