Since the Reduce Your Use grant became available in 2008, PNM's Foundation has provided more than \$4 million to local nonprofits to help them save money and energy.

The Reduce Your Use Grants are one part of the \$1.3 million funding provided by the company's Foundation in 2025 to support local nonprofits across New Mexico and Texas. This commitment reflects the Foundation's mission to strengthen communities through education, environmental sustainability and economic development. The PNM Foundation is a separate, nonprofit, tax-exempt corporation governed by a board of directors comprised of employee volunteers. No customer funds are part of the PNM Foundation endowment.
